**DECLARATION OF
SOLIDARITY AND SUPPORT
FOR THE
ASOCIACIÓN UNIFICADA DE LA GUARDIA CIVIL, SPAIN**

AS ADOPTED BY THE EURO COP COMMITTEE
17 NOVEMBER 2004, BARCELONA

We, the Member Organisations of the European Confederation of Police, representing over 600.000 police officers in Europe, have come together today in the EuroCOP Committee in Barcelona.

We express our support for the Asociación Unificada de la Guardia Civil and call upon the Government of Spain to:

- enact an association law for the Guardia Civil as soon as possible
- to recognise that the subjection of members of the Guardia Civil to military jurisdiction is an abuse of police officers performing a civil task
- to abolish military jurisdiction for the members of the Guardia Civil
- to immediately enter into a dialogue with the professional associations within the Guardia Civil with the goal of finding a consensus regarding the demands for professional improvements and better working conditions of the members of the Civil Guard
